* Recommended List of Journals with discounts

In partnership with

North Macedonia library consortium, EIFL has negotiated a number of agreements with publishers that secure waived or discounted Article Processing Charges (APCs) for corresponding authors to publish their articles in open access. If you click on the link above you can download a full list of eligible journals under these agreements. This list will be updated twice a year. You can find details of negotiated agreements, including how to claim the waivers or discounts with each publisher on this page:
