* Recommended List of Journals with discounts

In partnership with North Macedonia library consortium, EIFL has negotiated a number of agreements with publishers that secure <u>waived or discounted Article Processing Charges (APCs)</u> for corresponding authors to publish their articles in open access. If you click on the link above you can download a full list of eligible journals under these agreements. This list will be updated twice a year. You can find details of negotiated agreements, including how to claim the waivers or discounts with each publisher on this page: https://eifl.net/apcs
