

Call for Applications for Erasmus+ Mobility Grants

Student Mobility for Studies

Academic Year 2024-2025: Winter Semester

“Mother Teresa” University announces internal call for applications as a part of the framework of the Erasmus+ programme, Key Action 131: Mobility of higher education students and staff.

IMPORTANT DATES:

Application Deadline	13.05.2024
Nomination letters to host universities	14.05-20.05.2024
Administrative support for completion of required documents	21.05.2024 – 15.06.2024

Who can apply?

- Candidate students must be full time registered student at “Mother Teresa” University in Skopje.
- Candidate students from both first cycle (Bachelor) and second cycle (Master) are supposed to have finished successfully at least 1 academic year.
- Candidate students from both first cycle and second cycle should have a minimum average grade of 7.5
- Candidate students must have knowledge of English language or the language of instruction of the host institutions.

Within the same education level (Bachelor or Master) the duration of mobility can be minimum 3 months, maximum 12 months in total, depending on the host institution duration of the semester.

Interested candidate students can choose among partner universities from the below given list or/and can propose their own option within EU program country universities (inter-institutional agreement must be signed between universities in case university is not among partner institutions)
