

## **Call for Applications for Erasmus+ Mobility Grants**

### **Student Mobility for Studies**

### **Academic Year 2024-2025: Spring Semester**

“Mother Teresa” University announces internal call for applications as a part of the framework of the Erasmus+ programme, Key Action 131: Mobility of higher education students and staff.

#### **Who can apply?**

- Candidate students must be full time registered student at “Mother Teresa” University in Skopje.
- Candidate students from both first cycle (Bachelor) and second cycle (Master) are supposed to have finished successfully at least one semester.
- Candidate students must have proof of proficiency in English language or the language of instruction of the host institutions.

Within the same education level (Bachelor or Master) the duration of mobility can be minimum 3 months, maximum 12 months in total, depending on the host institution duration of the semester.

Interested candidate students can choose among partner universities from the list given in the link below.
